

BRINGING HIM KING-SIZE CHEER

Min Chyi, 17, tried to add some colour to Mr Tay Ah Sai's life yesterday, as she helped the 83-year-old paint the Lion King character Mufasa. Fifty-four youth from Anglo-Chinese Junior College and Lakeside Family Services held art therapy sessions for 50 seniors from St Luke's Eldercare home in Jurong East, as part of Project Cheer to get the young to bring joy to the needy.
