

MUSIC FOR MOTHER'S DAY

On May 8, the Singapore Symphony Orchestra, led by Associate Conductor Joshua Tan, performed to a crowd of 6,000 in the Botanic Gardens. Sponsored by the Tan Chin Tuan Foundation, this Mother's Day Concert features a medley of popular classics from *The Sound of Music* and *Star Wars*, with the encore piece, *Les Toréadors* from the opera *Carmen*, receiving rousing applause. The free gifts of fans and hand towels were also well-received in the sweltering heat.
