

# BACK TO SCHOOL

**P**rison Support Services - Kids In Play provides professional and practical support to children of incarcerated parents as we journey with them through the difficult period of separation. Before the new school term kicked off, we started preparing back-to-school kits to ensure that our children are well prepared for a great start in 2021.

To lessen the financial burden of our families, we gave out 33 refurbished laptops and 180 back-to-school kits which included essentials such as school bags, stationeries, shoes, and bookstore and supermarket vouchers. We are very thankful to our sponsors and donors who have made this possible and for providing the resources to help our children navigate the new school year.

**This new centre will provide Sojourn and our partners a permanent place where migrant workers can walk in to receive emotional support, counselling and other forms of assistance.**
